The world is too much with us; late and soon,

Getting and spending, we lay waste our powers;

Little we see in nature that is ours;

We have given our hearts away, a sordid boon!

This sea that bares her bosom to the moon; The winds that will be howling at all hours, And are up-gathered now like sleeping flowers;

For this, for everything, we are out of tune:

It moves us not—Great God! I'd rather be A Pagan suckled in a weed outworn,

So might I, standing on this pleasant lea,

Have glimpses that would make me less forlorn:

Have sight of Protens rising from the sea, Or hear old Tinton blow his wreathed horn. WILLIAM WORDSWORTH

Dedication

Lest we forget one whose memory we shall always cherish within our hearts. one whose cheery, good-natured self was asserted in his every move and thought, and, whose unselfish ideals were always at the service of his comrades, do we humbly and reverently submit this work in dedication to the soul of John D. Staples '34.

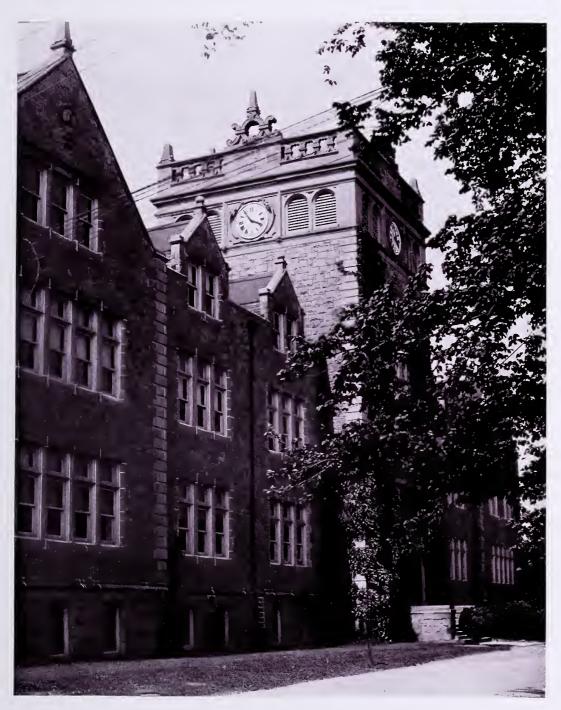

Campus

I love to sit and think and dream - - -

--- And oft conspire

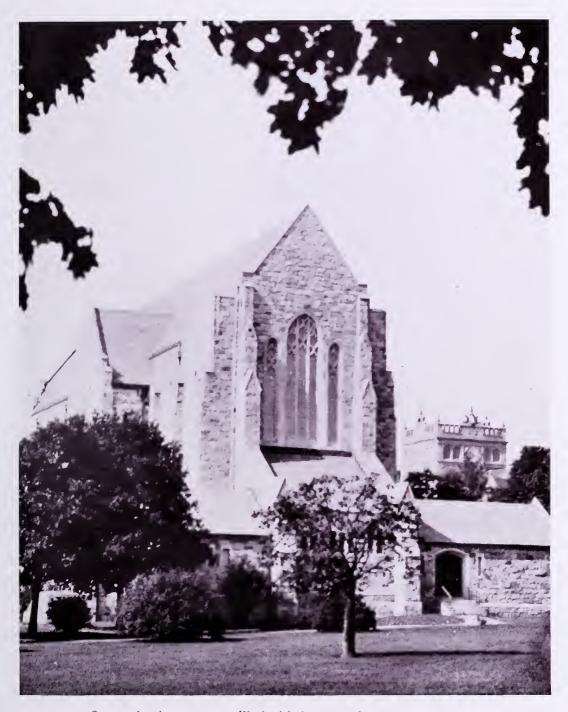

Lead them away from the toiling and scheming of mills and marts - - -

Heavenward rising, thy towers majestic uplift our hearts

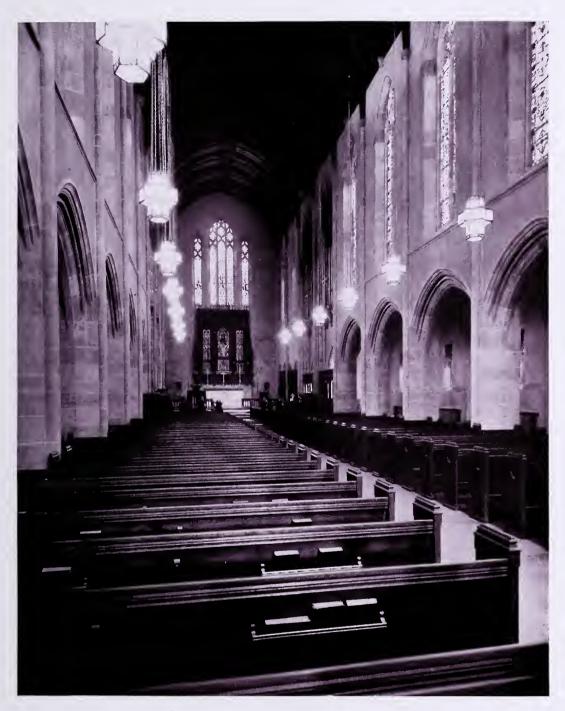

Bright are thy lawns after showers of summer

Scenes that in memory we'll cherish forever, wherever we move - - -

Loudly and fiercely the bold winds of autumn assail thy walls - - -

In fame may none with thee compare

REV. JOHN A. W. HAAS, D.D., LL.D.

Pres. Residence, Campus

President; Professor of Religion
and Philosophy

A.B., University of Pennsylvania, 1884; A.M. and B.D., University of Pennsylvania, 1887; Graduate Work, University of Leipsic, 1887-88; D.D. Thiel College, 1902; LL.D., University of Pennsylvania, 1914; LL.D., Augustana College, 1917; LL.D., Gettysburg College, 1922.

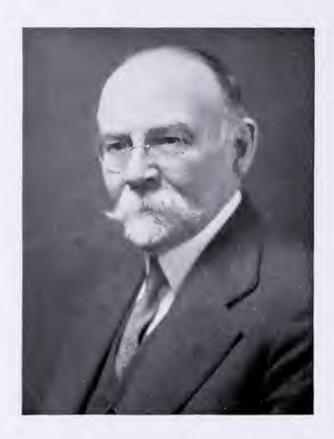

WHAT DOES THE MODERN AGE DEMAND OF A COLLEGE MAN?

ONE of the great problems which confronts every college man is the question, "How shall I prepare myself to meet the demands of the Age in which I am living?" This is no time for any one simply to drift into college and to drift out of it without finding himself and determining upon a definite purpose. Whatever may be the vocation into which a college graduate enters, the main problem is how he shall fulfill the best ideals of his chosen vocation under the conditions of the modern age.

The first necessity is that a man must understand that the time has passed when any one can simply live for himself. The economic and social conditions of our times show an increasing development in every department toward socialization. Shall a thoughtful man try to resist this movement by being a self-centered individualist? It will be impossible to stem the tide, and the individualist will go under unless he learns how to use his own right and to find himself in the coming new order. Those individuals who in their occupations forget to serve society will be compelled to live under restraining law. The necessity for the college man, therefore, is to adapt himself freely to the new order, and to choose as his inner purpose the ideal of aiding every social development through the free choice of a reasonable mind.

JOHN A. W. HAAS

GEORGE T. ETTINGER, Ph.D., Litt.D.

1114 HAMILTON STREET

Dean Emeritus; Professor of the Latin Language and Literature A.B., Muhlenberg College, 1880; A.M., Muhlenberg College, 1883; Ph.D., New York University, 1891; Litt.D., Muhlenberg College, 1920.

Juniors

HARRISON D. STRAUB

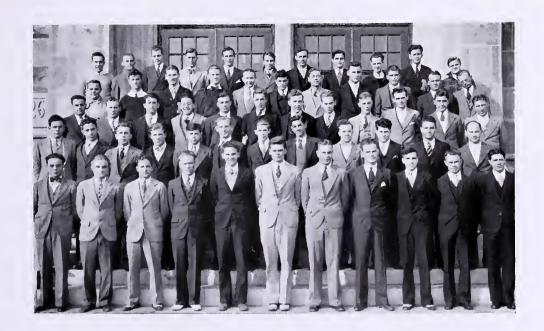

Presidents Message, Junior Class

As we look back upon the past few years and consider that we have but one more to spend within the shelter of the walls of our Alma Mater, we like to think that thus far along the way we have met with a fair degree of success in our attempts to live up to the standards set up for us when we first entered Muhlenberg. Let us hope that our last year will find us as successful in that attempt as our individual capacities will allow. Not only are there scholastic requirements to be met but the demand is made that one should go forth into life an intelligent, healthy, thinking gentleman. Much has been said about boosting Muhlenberg and aiding her in her climb upwards. After all is said and done, if one measures up to these standards, there is not much more that can be done to improve our Alma Mater in the eyes of the world.

Life as it is lived under present conditions is, after all, not so different from Nature. To the casual observer of both, all may appear serene and calm on the surface. If one should penetrate beneath that calm surface, a gigantic struggle would be discovered, a struggle for existence in which the law of the survival of the fittest is carried out with few exceptions.

It is for success in this struggle that we devote four years of our lives to study and the acquiring of culture. Let us not be forced to admit to ourselves that the endeavor of those four years and the sacrifices we or others have made have been in vain.

With these facts in mind as a foundation for its betterment and an active cooperation with its leaders, both here at school and out in life, the Class of 1934 is on the way to the accomplishment of its aims.

The Coaching Staff

GEORGE R. HOLSTROM

A SEASON replete with thrills, hitting the high spots during certain games and dropping below the high spots during other Saturdays, sums up the 1932 football season at Muhlenberg College. During the games in which the team hit its stride, the fans were treated to a galaxy of brilliant football. A ninety-yard runback of an opening Gettysburg kickoff by Albert "Reds" Weiner, halfback, headed the sports array act. During the same battle Si Padolin, a sophomore, broke into the limelight by a series of open field runs, reminiscent of the days of "Nick" Borrelli. A beautiful forward passing attack came into its own later in the season when Weiner, the passer, found his mark and completed many sterling passes to Sterner, end, and to Luie Miller, tackle, made over into an end for the last two games. Another high light of the year was the blocking of Charles Evanosky, a mainstay of the club for the past three years, also the line work of Charles Carter, a Junior, whose defensive work in several

games brought the spectators to their feet. Captain Joe Matuska, center, was always a steadying influence on the team. His defensive work, especially on passes, rates him as one of the best to ever wear the Muhlenberg colors. Digesting the season, the opening game with St. Joseph was played with only two weeks of pre-season training. Although the offense did not click for long runs, the mental alertness of the team won the game for Muhlenberg, 25 to 0. The next week our neighbors and rivals from Easton brought a powerful Maroon aggregation to Allentown, It was the first time that a Lafayette team has played on Muhlenberg's home field. Al-

WILLIAM BOONE Frosh Coach

The Coaching Staff

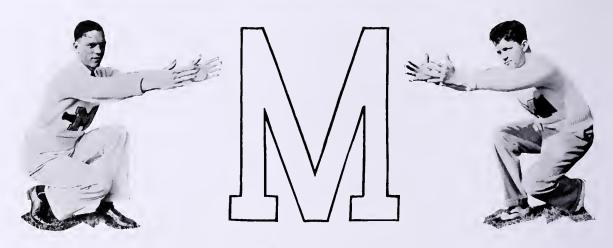

GEO. EASTMAN
Assistant Coach

though the Leopards were rated overwhelming favorites, the Cardinal and Grey athletes threw past reputations to the winds and after the smoke of battle had cleared away, one of the greatest exhibitions of defensive football had been played by Muhlenberg. The game ended with Lafayette emerging victor by the close score of 6 to 0. Several times during the fray Muhlenberg had the ball in scoring position, but old man psychology stepped in and kept Lafayette's goal line uncrossed. The next week the boys had a let-down and Lebanon Valley came to Allentown with one of its best teams of recent years and won 6 to 0. The following week brought the first conference battle, and Muhlenberg came through with a well-earned victory, the final score being 13 to 0. Wilkinson, a senior, shone on the offense with brilliant runs for touchdowns. Ursinus then invaded our camp and with victories over F. & M. and other strong opponents ruled the favorites. In spite of the fact that the Muhls out-rushed

"SCOTTY" RENWICK
Trainer

and out-gained their opponents, the game ended in a scoreless tie. Lehigh came next and with it our low spot was reached. Although Muhlenberg made 16 first downs to Lehigh's five and played heads-up football, three breaks went against the locals and were converted into touchdowns by our traditional rivals. Following the Lehigh battle, F. & M. came through with a win. The next Saturday, Gettysburg, the potential conference champion came to Allentown primed for the game. It was at this spot that a Muhlenberg team rose to the heights and performed such as is rarely seen on a gridiron. The boys were out for revenge. Gettysburg kicked off and "Reds"

Weiner gathered the ball under his arm and, aided by perfect blocking, did not stop running until he had deposited the ball behind the visitors' goal line. It was one of those sensational runs that are very seldom seen during the football season. From then on the boys did everything with the ball and the game ended with Muhlenberg on the long end of a 26-7 score. The last game of the year was with the Chester Cadets from Pennsylvania Military Academy, P. M. C. brought to Allentown the heaviest team ever to play on the local gridiron. The game was played in a quagmire of mud and rain, making the field almost next to impossible upon which to play football. It was a day when weight meant everything to a club. After battling up and down the field for sixty minutes the game ended in a scoreless tie. Thus ended a season replete with thrills, some Saturdays the team playing a wonderful brand of football and on others the boys could not even click. The losing of one or two games can be attributed to the inexperience of the sophomores who virtually made up the club's personnel. The squad consisted of thirteen seniors, ten juniors and twenty-one sophomores. The experience gained last season will be of invaluable aid to the sophomores who will make up the team next year.

MUHLENBERG 27 ST. JOSEPH 0

The first game of the season started off with a decisive victory. The game was played at night, thus continuing the practice started last year. The 'Berg boys seemed to have a team surpassing all the teams representing Muhlenberg in the last few years. The large amount of reserve material was quite a change from former years. Intercepted forward passes paved the way for three of the "Muhl's" touchdowns. The backs. Horine, Evanosky,

Weiner and Wavrek, carried the ball well and set up a wonderful secondary defense. The line clicked perfectly and besides blocking several kicks and staging a tight defense they opened up many holes for the backfield. The visiting team acquired a few injuries but the

'Berg team was fortunate enough to escape them. This left them all primed for the Lafayette game except for a few weak points which they would have to brush up on.

MUHLENBERG 0 LAFAYETTE 6

Lafayette we are here! And the team was right there, too. Lafayette came to Muhlenberg

WEINER

LAPORE

MATUSKA, Captain

this year for the first time in the history of the schools. Its team was considered one of the finest in the East and a big victory was looked forward to. The 'Berg team, however, upset the dope somewhat as the score indicates. The first quarter revealed that both teams were just about on a par but in the second quarter Lafayette made the only score of the game on a forward pass. The period ended, however, with the "Muhls" threatening the Leopard's goal post. 'Berg put on a great attack in the third period but they lacked the punch when they got under the shadow of the Lafay-

ette goal post. The 'Berg line played a wonderful game both on the offense and the defense, even when their backs were to the wall. The backs also played good football and at times put on a fast offense. The team representing Muhlenberg looked as though it would accomplish things during the year.

MUHLENBERG 0 LEBANON VALLEY 6

This was a very unexpected defeat for Muhlenberg after their fine game against Lafayette. The "Muhls" showed a reversal of form, however, and Leb-

CARTER

MAY

NEHF

anon Valley had a hard-fighting squad. It seems that the Annville collegians are a jinx to 'Berg, having just nosed out our team in the last two years and preventing us from getting revenge this year. Similar to the scoring play in the last game, Lebanon Valley crossed the line as a result of a forward pass. Near the end of the first half the "Muhls" attack, featuring a series of line plunges, was stopped on the opposition's fifteen yard line. Late in the fourth period a running attack, centering about Padolin, Wein-

er, and Evanosky, advanced the Cardinal and Gray team to the five yard line. Again the characteristic lack of punch cost the "Muhls" the loss of a touchdown. Perhaps next year we will be able to overcome the "iinx."

MUHLENBERG 13 DICKINSON 0

Leaving behind two setbacks, Muhlenberg again forged ahead and won its first conference game of the season. The play was marred by frequent penalties which were inflicted on both teams. 'Berg was held scoreless for the first three periods, but in the fourth pe-

KLOTZ

SMITH

DIETRICK

riod they let loose with a terrific kick and scored two touchdowns. This spelled defeat for the Dickinson Red Devils. Weiner and Wilkinson scored the touchdowns. Wilkinson made one of the finest runs of the season and was the sensation of the game. The team displayed some fine defense work in intercepting passes, falling on a fumble, and thwarting the

Dickinson running attack. If the "Muhls" could have continued, they would have had a very good chance in the conference race.

MUHLENBERG 0 URSINUS 0

This was the second conference game for the "Muhls" and not so successful a one at that. Both teams were very much in need of a hard punch when they approached the opponents' goal line. The game was very faulty throughout and neither team played as well as it might have. The Bears and the 'Berg representatives displayed good football at various times during the game, but these sudden outbursts never lasted very long. The teams were often very bad on the defense, enabling the other to gain some ground through plunges and once in a

PADOLIN

ZAMITES

LEVINE

while on end runs. The forward passing attacks were very weak and very little ground was gained by either team when it went into the air. Neither team gained or lost in the conference race but, of course, this gave the other teams in the conference excellent opportunity to gain a front position.

MUHLENBERG 6 LEHIGH 25

Here we are back again with our traditional rivals. It sure

HORINE

was a tough game to lose. The "Muhls" consistently outplayed Lehigh, but it seems that all the breaks were against them. 'Berg registered twelve first downs to the seven, which Lehigh managed to squeeze out of the play, but after all it's

the score which turns out to be the important thing. The long runs of Halsted and Short accounted for three of the Lehigh scores. Frequent fumbles, inferior kicking, penalties, and a regretable tendency on the part of the secondary defense to stand flatfootedly watching the Lehigh ball carriers trot down the field for touchdowns, were

EISENHARDT

YOUNG

responsible for the Muhlenberg defeat. The lone 'Berg touchdown was made in the third quarter by Weiner who went through the line for the score after he and LePore had carried the ball to within inches of the goal stripe. Muhlenberg let loose with a desperate series of passes in the final minutes of play, but penalties prevented a

score. The team again lacked that final punch.

MUHLENBERG 7 F. & M. 21

Our first conference defeat! The Franklin and Marshall eleven turned out to be a little too strong for the Muhlenberg

boys. The 'Berg team proved too sluggish to cope with the fast traveling F. & M. backs, Brubaker, Passel, and Brooks, who often got away for long gains. Late in the first period Weiner dashed around the end from the five yard line and crossed the goal line. Klotz intercepted a pass in the third period and was on his way for a touchdown when one of his own men, attempting to get in a position to help him, knocked him over instead. The boys from Muhlenberg managed to

BLOOM

EVANOSKY

O'BERG

get only seven first downs as compared with the thirteen of the victors. In this game, however, the "Muhls" were greatly handicapped by the injuries of some of the players. This defeat put Muhlenberg in a third place tie with Ursinus in the conference ranking.

MUHLENBERG 26 GETTYSBURG 7

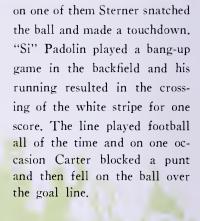

The greatest sensation of the game came on the opening kick-off when "Red" Weiner

WATKINS

ran ninety yards for a touchdown while his teammates rendered some of the nicest blocking that had been seen all season. The "Muhls" held back the Bullets at all times. Forward passes played a very important part in the game and

GRAMLEY

ROTBERG

MUHLENBERG 0 P. M. C. 0

Our second scoreless tie for the year and also our last game. The field was covered with mud and the players were also after they had wallowed in it for a while. This gave each team a terrific handicap. Neither the 'Berg team nor the Cadets could keep on their feet. This was especially hard on the backs who just slid from

plunges and end-runs were most times weak and very little ground was gained. When the teams went into the air the passes were inaccurate and when they did get to the men the pigskin was too slippery to be caught. It probably would

one side to the other. The line have been a good game under

YARSHINSKY

better conditions and the outcome might also have been better.

KILPATRICK, Manager

RILEY

Freshman Football

MEETING our traditional rival Lehigh in the only game of the season, the Muhlenberg Frosh lost the game by the score of 14 to 0. The game was hotly contested every minute and 'Berg repeatedly assaulted Lehigh's goal only to be turned away time after time by superior poundage.

Lehigh won the toss and elected to kick. The kick-off was taken by Stout who advanced it to our own thirty yard line. Line plunging by Geschel, Saalfeld and Hoffmeister produced little yardage, so Geschel kicked a beautiful spiral down to Lehigh's twenty yard line and Koehler and Farris stopped the receiver in his tracks. The quarter ended with neither team showing any marked superiority. The second quarter started with Lehigh hitting our forward wall and gaining considerable yardage in this way. The ball was taken over the goal line from the five yard line and the point after touchdown was successful. An end run accounted for the second touchdown and again the point after touchdown was successful. After this our line tightened and it was a see-saw battle to the end of the half. The third quarter started with the original lineup on the field and this quarter was marked by runs made by Geschel and Stout. The fourth quarter, like the third, was decidedly in our favor, being featured by passes from Keleher to Geschel and Stout. The game ended with the ball in Muhlenberg's possession on Lehigh's fourteen yard line.

The men who saw service were Jacobs, Koehler, Weiner, Green, Lichtenwalner, Polvinsky, Farris, Saalfeld, Hoffmeister, Geschel, Stout. Weaber, Mettner, Keleher, Miller, Fetherolf, Mabry, Holland, Watkins, Nickel, Hartman and Peifer.

Basketball

BEN WATSON, Manager

Varsity Basketball

IN submitting the final standing of the teams in the Eastern Pennsylvania intercollegiate basketball conference we are not exactly fair to the team, but even at that it is nothing to hang our heads in shame about. The team can, however, lay the result of its season on inconsistency. There is no doubt in any ones mind as to the truth of this statement. Just glance over the summary of the games played and you will readily discover the solution to the apparent riddle. Victories over Gettysburg, Albright, Lafayette and Lehigh alone will vouch for the strength of the team, and as to the opposite opinion, one has only to think of the lackness displayed in the opening games of the season.

But, since this is no year for long faces and sour comments, we can compliment the entire team with sincerity for their splendid work on the floor. A record of nine victories and eleven defeats does not give a real picture of the court season. After a very slow start the team developed into the smoothest-working quintet seen at 'Berg for many seasons. It is only fair to the boys to quote the words of the Gettysburg captain immediately following the defeat his team had suffered at Allentown, "Muhlenberg appears as the strongest team in the league" and that comment was the sentiments of plenty of critics of the pastime.

1933 STANDING OF E. P. I. B. C.

MUHLENBERG 29 ST. THOMAS 46

The 'Berg team opened its 1932-33 season unimpressively. The start, as it turned out, was not so favorable. The St. Thomas team displayed great strength. "Joe" Rodgers, making his debut as a varsity man for Muhlenberg, had high scoring honors for the game. "Bill" Nixon was second for the Mules in scoring.

'BERG 36 STROUDSBURG S. T. C. 51

The second game was a tough one for Muhlenberg since the Teachers had one of the strongest teams in this section. Although completely outclassed the Mules gave a fair account of themselves and made quite a few long shots. Rodgers and Sterner were high scorers with Nixon and Horine also aiding in boosting the score.

MUHLENBERG 35 MORAVIAN 33

Our first victory for the season, and what a victory! The game started out very slowly and was close throughout. It was found necessary to play an extra period since the regular game ended 29-29. The visitors were finally nosed out however. "Bill" Nixon and "Joe" Rodgers both played excellent games.

MUHLENBERG 20 F. & M. 20

This was our first conference game and a rather poor starter. The inability of the team to shoot fouls caused the downfall. "Bill" Horine was the star of the game holding his man scoreless and he himself making four field goals. Rodgers and Lepore did their best by accounting for seventeen points but it was all rather in vain.

MUHLENBERG 27 GETTYSBURG 34

The team continued its slump. The game was close practically all of the time but the Mules couldn't seem to stand the pace. Horine played a very fast game. Near the end Sterner led a desperate Muhlen-

berg rally. He was high scorer for the night with fourteen points, the other points being scattered on the score pad.

MUHLENBERG 18 VILLANOVA 27

This was a tough game for the Mules since Villanova had quite a good team. The 'Berg team looked very promising in the beginning but they were gradually outplayed by their opponents. There was very little scoring on the part of both teams.

MUHLENBERG 28

URSINUS 41

The third consecutive conference defeat placed the team in a bad position. "Bill" Horine starred for Muhlenberg by scoring ten points. Weiner and Rodgers were the other players who did most in scoring for 'Berg.

MUHLENBERG 44

DREXEL 35

The ice was finally broken. The boys were much more efficient on fouls and from the floor. Horine again played a stellar game and chalked up fourteen points. Lepore was also a big gun in the victory accounting for ten points. Let's hope that the Mule will keep kicking.

MUHLENBERG 31

RUTGERS 32

This was the closest battle of the season. It seemed as though 'Berg would have a victory but the last few minutes of play denied it. Matuska played a stellar role and Horine did more than his share in trying to eke out a victory over the Jersevites.

MUHLENBERG 28

F. & M. 34

The attempt to even the score with Franklin and Marshall was futile. The game was close until the final minutes of play. Horine played true to form and garnered ten points for 'Berg.

'BERG 30

LEBANON VALLEY 26

The Mules break into the race. Coming from behind in the last quarter they chalked up a worthy victory. Horine was high scorer and also played a nice defen-

HORINE

NIXON

RODGERS

JUDT

STECKEL

WEINER

sive game. "Lou" Sterner sewed up the game with his two field goals at the close. Matuska was another big gun in the attack while the rest of the team did their bit in accounting for a few goals.

MUHLENBERG 38

ALBRIGHT 44

After leading in the first half Muhlenberg could not stand the pace and were thus defeated in a fiery game at Reading. The lack of accuracy in foul shooting was the main cause of the defeat. "Bill" Horine dropped some nice ones and emerged from the game with high scoring honors.

MUHLENBERG 39

LEHIGH 33

What could be better than a victory over our old rivals. We were in the rear at half time 22-11. But did the boys play ball in the second half! This was the most exciting game of the season. "Bill" Nixon went on a scoring spree and netted sixteen points. Sterner also played a leading part.

MUHLENBERG 34

DREXEL 30

A conference victory! The game was very slow except for some brief intervals of brilliant playing. The two "Bills", Horine and Nixon, were the outstanding performers for the evening. Drexel made a short spurt near the end of the game but were unable to overcome the Muhlenberg lead.

MUHLENBERG 56

URSINUS 27

The third straight victory and the biggest upset of the season thus far! 'Berg utterly disregarded the visitors standing in the conference and outclassed the Bears from start to finish. Sterner, Rohn, and Nixon sank most of the shots but all of the other players did their part. The team has apparently found itself.

MUHLENBERG 32

LEHIGH 36

Lehigh had their revenge for the season. The Lehigh team was again way in the lead at first half. Muhlenberg made a wonderful attempt to gain a lead but they were always at least two points behind. Again

the game was very exciting. Nixon and Horine led the 'Berg attack, which turned out to be futile.

MUHLENBERG 38

LAFAYETTE 23

The Mules easily defeated the Leopards in the season's only game between the two teams. 'Berg was never threatened throughout the whole game. Horine continued to play his sterling brand of basketball and ran off with high scoring honors. Nixon, Weiner, and Lepore aided in putting a few through the meshes.

'BERG 31 LEBANON VALLEY 36

After having bewildered their opponents in the first half with their playing, the Mules slumped terribly and Lebanon Valley emerged victorious. The score at half time was 19-13 in favor of 'Berg. Nixon, Sterner and Rohn accounted for the majority of 'Berg's points. This was the last defeat of the season and a bad game to lose.

MUHLENBERG 50

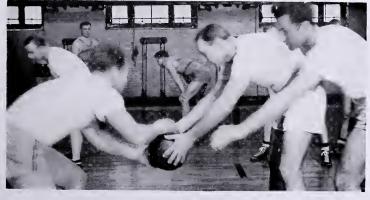

ALBRIGHT 32

With "Bill" Nixon registering twenty-two points for the 'Berg team they completely laced the Albright quintet. The Mules played ball which would have easily given them the conference title is they had only started sooner. Lepore and Sterner scored the majority of the remaining points. Horine, although only scoring two field goals, played wonderful ball.

MUHLENBERG 35 GETTYSBURG 20

There could have been no better ending for the season than trouncing the league leaders in the way in which the Mules did. Nixon, Lepore, and Horine starred, all of them with their scoring, and Horine especially with his fine guarding. The floor play of the team as a whole was wonderful. Thus amid glory the 1932-1933 Basketball season ends.

GILTNER, Captain

The Baseball Season

THE baseball season of 1932 proved to be one of the best seasons ever to be enjoyed by a Muhlenberg baseball team. Victories over Temple, Lafayette, and Lehigh brought the mythical Lehigh Valley Championship to Muhlenberg. The outstanding star of the club was Vincent Tackacs, the left handed pitcher, who was called upon to pitch practically every game on the schedule. In addition to his pitching ability "Vince" had a batting average of .343, and in several games brought the winning runs across the plate for Muhlenberg. Other leading hitters of the club were: Weiner, with an average of .488; Sterner, .449; Carney, .369; Klotz, .348; Tackacs, .343; Matuska, .297; Giltner, .282; and Nixon, .255.

MUHLENBERG 3

LAFAYETTE 6

In the opening game of the baseball season Muhlenberg was defeated by a powerful clouting Lafayette aggregation. Millard, Lafayette pitcher, held 'Berg hitless for four innings. However, in the fifth inning 'Berg took a two run lead which they were forced to relinquish in the sixth. Four Muhlenberg errors coupled with a hit sealed the doom of the Muhls. Steckel, a sophomore hurler, pitched a fine brand of ball in view of the fact that it was his first varsity appearance. Batteries: Steckel and Weiner; Millard and Wermuth.

MUHLENBERG 16

HAVERFORD 4

The Muhls found their stride at Haverford and trounced the Main-liners in a field day. The Cardinal's solved Tripp's delivery early in the game and he was forced to retire in favor of Captain Gummere. Nevertheless, the Muhls continued to pound the ball around the lot to pile up a comfortable lead. Tackacs pitched nice ball allowing the visitors only six scattered hits. Batteries: Tackacs and Weiner; Tripp, Gummere and Richie.

WEINER

STERNER

MATUSKA

MUHLENBERG 6

MORAVIAN 8

In a big third inning rally, Moravian's snappy outfit succeeded in spiking 'Berg's chances for victory by sending four runners across the plate. This game was the first meeting between the Muhls and Moravian for several years. Steckel was on the mound for 'Berg, but he was unable to hold the Bethlehemites in check. Gillespie, veteran moundsman of Moravian, kept the hits well scattered, and, although touched for fifteen safeties, succeeded in turning in a victory for his Alma Mater. Batteries: Steckel, Tackacs and Weiner; Gillespie and Surran.

MUHLENBERG 4

TEMPLE 3

The powerful slugging of the Muhls forced Temple to bow in defeat. Muhlenberg solved Thompson's delivery early in the game and succeeded in holding the lead to the finish. Tackacs pitched air-tight ball allowing only eight well scattered hits. Cramer relieved Thompson in the third inning and muted the Muhls' bats in the remaining stanzas. Sam Shimer pounded out a triple as lead-off man, and later added a double for the slugging honors of the day. Batteries: Tackacs and Weiner; Thompson, Cramer and Whittock.

MUHLENBERG 6

UPSALA 11

Upsala College, by taking advantage of the numerous errors of the Muhlenberg nine, pounded out a decisive win. The Muhls put on a spurt in the seventh, eighth, and ninth innings but the damage wrought was too great. In the early innings Tackacs was found for six runs. Weiner and Matuska each garnered three hits to lead the batting for 'Berg. Batteries: Tackacs and Weiner; Johnson and Carew.

MUHLENBERG 6

PRATT 5

Staging a successful rally after trailing 5-2 in the fifth inning, Muhlenberg dealt Pratt Institute its second defeat in eight times out. Sterner of the Muhls pounded out a homer to deadlock the score at 5-5. Shimer's single, scoring Carney, proved later to be the winning margin. Pratt made a strong bid in the closing frames, but was unable to score. Matuska's homer previously accounted for two runs in the fourth inning. Batteries: Steckel, Mitchell, Tackacs and Weiner; Boemerman and Arears.

MUHLENBERG 11

LEHIGH 2

A highly touted group of Lehigh sluggers felt the sting of defeat at the hands of a smoothly working Muhlenberg team on May 18th. Tackacs pitched beautiful ball, keeping the nine hits of the oppo-

One Hundred and Nineteen

NIXON

MAY

SAALFELD

TACKACS STECKEL

CARNEY

nents safely scattered. Stan Carney started a rally in the opening inning of the game by pounding out a three bagger. From then on the Muhls were never headed. Saalfeld and Klotz made some spectacular catches in the outfield to help Tackacs over some rough spots in the game. Batteries: Tackacs and Weiner; Layton, Heine, Hower and Halsted.

MUHLENBERG 4

PENN A. C. 9

Bunched hits combined with smart baseball in the pinches enabled Penn A. C. to grab a free hitting contest from Muhlenberg. Noblitt of the Penn Athletic Club kept the hits nicely scattered, and coupled with some powerful clubbing by his teammates succeeded in turning in a victory. Weiner and Giltner supplied the punch for Muhlenberg by pounding out two hits each. Tackacs went the full route for 'Berg on the mound. Batteries: Tackacs and Weiner; Noblitt and Yeabsley.

MUHLENBERG 7

DREXEL 9

The Drexel Dragons concluded a successful season by pounding out fifteen well bunched hits to win their closing game with Muhlenberg. Holstrom's aggregation started the game with a big spurt, but they were headed in the closing innings. Weiner, Carney, and Sterner did some heavy clubbing, but in vain. The lead see-sawed back and forth until the

eighth when Drexel clinched first place honors with a series of runs. Batteries: Tackacs and Weiner; Culham and Knapp.

MUHLENBERG 5 LAFAYETTE 3

Although washed out in the seventh inning by a thunderstorm the Muhlenberg contingent received credit for a win over Lafayette. Lafayette's best efforts to push across runs was spiked in the early innings by a smoothly working Muhlenberg nine. Muhlenberg by winning the game evened up the series with the Leopards who had beaten 'Berg in an early season game. Batteries Tackacs and Weiner; Millard and Wermuth.

MUHLENBERG 13 LEHIGH 4

In the final game of the season, Muhlenberg defeated Lehigh for the second time of the current season. Numerous errors by the Lehigh infield proved a big factor in her downfall. Sterner clubbed out four hits to take major honors in this department of the game. Tackacs, pitching air-tight ball and aided by a smoothly working infield, was never in danger. This was Tackacs' second win over Lehigh this season as well as his final game for Muhlenberg. Batteries: Tackacs and Weiner; Heine and Halstead.

One Hundred and Twenty-one

KLOTZ

SHIMER

KUNZ

Track

MAJERCIK

Track

WITH Scotty Renwick at the helm of Muhlenberg's track team for the 1932 season high hopes were held for a successful year. However, when no high caliber timber toppers or field men appeared, hopes began to dwindle. In spite of his handicap, Scotty molded a formidable aggregation to carry the Cardinal and Gray colors. The loss of Ulrich, conference titleholder of the 120 yard high hurdles and a consistent low hurdle winner, was keenly felt. Wilkinson and Grollman, new men of the obstacle race, both developed nicely as the season progressed.

"Winnie" Welsh saw the best season of his career. He was a consistent triple place winner in nearly every meet. His peak was undoubtedly reached in the Middle Atlantic classic. Although he only annexed two second places in this meet, it must not be forgotten that he competed with some of the country's best middle distance men. Crowley, one of his opponents in this meet, later went to the Olympics as one of Uncle Sam's representatives. Majercik was also a consistent winner in the century and furlong races. Unfortunately he failed to annex two first places in the Middle Atlantic Championships because of poor officiating on the part of the starter.

The season was officially opened when the team journeyed to Philadelphia to compete in the Penn Relays. The Muhl 440 men, however, failed to place in the point scoring positions, and finished in the van of the pack. The relay team was greatly handicapped by lack of quarter milers.

Muhlenberg's track team suffered a severe jolt in her opening dual meet with Lafayette by losing 83-43. Lafayette won nine first places and Muhlenberg six, but the Eastonians had the place winners for second and third positions. Welsh, former Allentown Prep star, had little difficulty in winning the long distance events. He walked the last quarter mile of the two mile run after lapping the field earlier in the race. Majercik, also a former Prep flash, won the hundred yard dash and the two hundred and twenty yard dash with little trouble. Howard Hill was Lafayette's leading point scorer with two first places.

GODSHALL

WELSH

KISTLER

St. Joseph's Hawks handed 'Berg her second reverse of the season in a dual meet which was held in Philadelphia. Slezak, crack St. Joseph weight man, put the finishing touch to 'Berg's efforts by several brilliant feats in the strong arm events. Welsh nipped a former High School team-mate when Augustine fell victim to the bespectacled runner's prowess. Wilkinson won the 220 yard hurdle race in an exciting nip and tuck battle for first place. Majercik had little competition in the century and furlong, and annexed these two races with ease. The final score stood 78-48 in the Hawks favor.

Lehigh tripped up the Cardinal and Gray for the third consecutive loss of the season by the score of 81-45. 'Berg, as in previous meets, failed to garner a sufficient number of second and third place points. The Muhls won eight out of a possible fourteen first places. Geiger set two new meet marks in the shotput and discus heaves. Requa, diminutive jumper, made a brilliant leap in the broad jumping event to clinch first place for 'Berg. Welsh and Majercik each won

1934 CIARLA

One Hundred and Twenty-six

two first places in their favorite events. New meet marks were set in the 120 yard high hurdles and the javelin throw.

Although powerful in the track events the Muhls' cinder path stars were forced to take a reverse at the hands of Swarthmore in a dual meet because of a dearth of field men. The little Quakers outscored the Muhls 40-14 in the field events. Welsh was clocked in the fast time of 10 minutes and 6 seconds for the two miles when he was pressed to the tape by Franklin Miller of Swarthmore in a sensational battle for first place. The Quakers annexed the meet by a score of 79-47.

A well balanced Manhattan College track team swept the Middle Atlantic States Collegiate Athletic Association Championship with apparent ease. The few Cardinal and Gray participants showed up well in spite of the keen competition which they encountered in this meet. One of the most sensational races was the half mile final in which Winnie Welsh captured second place by a brilliant spurt near the finish

One Hundred and Twenty-seven

WILKINSON LAND GROLLMAN

SMITH

WOLF

METZGER

line by nipping one of Manhattan's crack middle distance stars. Crowley of Manhattan, a former Allentown Prep School star, set a new meet record of four minutes and twenty-two seconds in the mile run. Welsh trailed Crowley for second place. Majercik captured a first place in the 220 yard dash and second in the 100 yard dash. Fischer, weight man of Rutgers, was the only double winner of the meet. Manhattan garnered 59 points while the nearest competitor, Lehigh, trailed with $23\frac{1}{2}$ points to take second place. Muhlenberg landed the fifth position with 17 points.

At the Central Pennsylvania College Conference meet held at Lewisburg, the Muhls failed to retain their title of the previous season and ended in third place. Welsh and Majercik were the only first place winners for the Cardinal and Gray. The classy Muhlenberg distance star proved to be the sensation of the meet when he annexed the three middle distance events. Dickinson and Franklin & Marshall were tied for first place with 38 points each, with Muhlenberg one point behind.

In the final meet of the track season 'Berg dropped a closely contested dual meet to Drexel 65-61. The contest was marked with drama, suspense and keen competition. The final tally might have been different had not Scotty wanted to give Requa a chance to earn his varsity ensignia. The blond speedster converted his opportunity into a brilliant win. However, the points that Majerick would have taken had be been in the same event, were lost. Winnie Welsh was the only triple winner in this meet with victories in the half-mile, mile, and two-mile events. Breveda was the Dragons' high scorer with 13 points.

Although the season was by no means successful a few finds were made and developed for the coming year. The prospect of having a few more entries in the field events is brighter than in previous periods. The team suffered the loss of Majerick, Geiger, Grollman, and Godshall through graduation.

One Hundred and Twenty-nine

GEIGER STRAUB HEMSTREET, Assistant Managers

Tennis

COOPER, Captain

Tennis

THE 1932 Tennis Season at Muhlenberg started with the team facing a schedule of thirteen matches. However, by the time the season ended, only ten of these thirteen matches had been played, the others having been cancelled. Of the ten matches played the team won four and lost six. The local net men defeated Elizabethtown, Gettysburg, and Moravian, the latter being subdued twice. Philadelphia School of Osteopathy, Franklin and Marshall, Temple, Lehigh, and Albright triumphed, with all of the battles being very hotly contested.

The Cardinal and Gray team was greatly handicapped with the lack of a coach and early season practice facilities. Many of last year's squad were absent from the lineup and this loss was keenly felt. "Cliff" Roehrig, captain of the team, was back and his support was a great help. Cooper was also a veteran from last year and he played some nice tennis. The newcomers were Miller, Naratil, Gangewere, Malik, and Bitting and they all played well, even though this was their first year.

- 10—Fri.—Last day of exams—see you all next year?? Lehigh bows to the slugging Bergmen, 13-4

JUNE

I gazed upon the glorious sky
And the green mountains round,
And thought that when I came to lie
At rest within the ground,
'Twere pleasant that, in flowery June,
When brooks send up a cheerful tune,
And groves a joyous sound,
The sexton's hand, my grave to make,
The rich, green mountain-turf should break.
—W. C. BRYANT

SEPTEMBER

Summer is fading; the broad leaves that grew So freshly green, when June was young, Are falling;

And, all the whisper haunted forest through,

The restless birds in saddened tones are
calling.

From rustling hazel copse and tangled dell, "Farewell sweet Summer,

Fragrant, fruity Summer, Sweet, farewell!"

-George Arnold

September

- 12-Mon.-Freshman week opens
- 16—Fri.—First semester is upon us—welcome home, fellows! First meeting of the Student Council

- 22-Sat.-Scoreless tie between Muhlenberg and Ursinus
- 24-Mon .- Thirty-five men initiated by Der Deutsche Verein
- 25-Tue-Frosh may use back steps of Ad building as result of the victory over the Sophs in the polefight
- 29-Sat .- Lehigh buries the lads in the annual football frolic, 25-6
- 31-Mon .- O. D. K. Dance in Library. George Doddy's Band officiates

OCTOBER

- The melancholy days are come, the saddest of
- Of wailing winds, and naked woods, and meadows brown and sere.
- Heaped in the hollows of the grove, the autumn leaves lie dead;
- They rustle to the eddying gust, and to the rabbit's tread.
- The robin and the wren are flown, and from the shrubs the jay,
- And from the wood-top calls the crow through all the gloomy day.

-W. C. BRYANT

NOVEMBER

Much have I spoken of the faded leaf;
Long have I listened to the wailing wind,
And watched it ploughing through the heavy

For autumn charms my melancholy mind.

When autumn comes the poets sing a dirge:
The year must perish; all the flowers are dead;

The sheaves are gathered; and the mottled quail

Runs in the stubble, but the lark has fled!
—Elizabeth Stoddard

DECEMBER

The snow had begun in the gloaming, And busily all the night Had been heaping field and highway With a silence deep and white.

Every pine and fir and hemlock

Wore ermine too deep for an earl,

And the poorest twig on the elm-tree

Was ridged inch deep with pearl.

—J. R. LOWELL

CONTANUARY COCO

JANUARY

When calm is the night, and the stars shine bright,

The sleigh glides smooth and cheerily;
And mirth and jest abound,
While all is still around,
Save the horses' trampling sound,
And the horse-bells tinkling merrily.

—John Shaw

FEBRUARY

Announced by all the trumpets of the sky,
Arrives the snow, and, driving o'er the fields,
Seems nowhere to alight: the whited air
Hides hills and woods, the river, and the
heaven,

And veils the farm-house at the garden's end.

The sled and traveller stopped, the courier's feet

Delayed, all friends shut out, the house-mates sit

Around the radiant fireplace, enclosed In a tumultous privacy of storm.

MARCH

The earth seems a desolate mother,—
Betrayed like the princess of old,
The ermine stripped from her shoulders,
And her bosom all naked and cold.

But a joy looks out from her sadness,

For she feels with a glad unrest

The throb of the unborn summer

Under her bare, brown breast.

—CHARLES HENRY WEBB

- 30—Thu.—Band concert in general assembly.

Student Activities

The Student Council

THE Student Council is the governing voice of the student body. It is composed of the student body officers, one representative of each fraternal group, except those fraternities to which a student body officer is affiliated, and one representative for each forty non-fraternity students.

The Student Council is the tribunal which makes and enforces freshman regulations, it is the body to which all student petitions are referred, and it is the executor of the Student Body Constitution. It contributes to the social season by conducting an annual Spring Student Body Dance.

Eta Sigma Phi

THE Muhlenberg Alpha Rho chapter of Eta Sigma Phi was formed in 1931 from the Classical Club, the oldest organization on the campus. The aim of Eta Sigma Phi is to keep alive an interest in the classics and to foster an appreciation of the ancient languages.

The chapter meets once a month at the homes of the various members and discusses topics of interest which relate to the classics.

The scholastic requirements of the society are extremely high. Two years of either Greek or Latin with three years of the other are required. A scholastic attainment, measured by grades, is also a requirement. Owing to these high qualifications the organization has a limited membership.

Muhlenberg Christian Association

UNDER the leadership of Reverend Harry P. Cressman, College Chaplain, the College Y. M. C. A. has for many years been the pillar of school spirit. It is the most efficient worker for a "Greater Muhlenberg".

The functions of the Muhlenberg Christian Association are the editing of the Freshman Bible, the Baedecker of the College Campus, and the supervision of the "pep smokers" and the "pajama parades" which are held before each important football game.

Members of the Association are selected from the Associate Cabinet at the end of the year. Each fraternity on the campus is privileged to have two members on the Association.

Der Deutsche Verein

A LL hail to one of the oldest and most democratic organizations on the Muhlenberg

Campus—Der Deutsche Verein or the German Club.

Under the able direction of Dr. Preston A. Barba and Dr. Harry Hess Reichard, the club has become an institution which amply fulfills the ideals upon which it was founded. It aims and hopes to bring the students of the German Department to a closer and more appreciative acquaintance of the language and literature of the Teutonic people.

The Verein meets bi-weekly in the Commons. These meetings are devoted to talks by Dr. Barba, plays, musical performances, and traditional annual programs including the "Damen Abend", and the Weinachtsfest. In the spring the club conducts its annual "Ausflug", or outdoor picnic. During the past season the Club was fortunate in securing the famous dramatic star, Max Montor, for a rendition of Goethe's "Faust".

Pre-Medical Society

THE Pre-Medical Society is the most specialized group on the campus. It admits to its membership only those students who have intentions of entering the medical field. Any would-be doctor who has satisfactorily completed one year of college and who has procured at least a C average in freshman chemistry, and who has elected for his Sophomore year courses requisite for entrance into medical school may become a member.

The society was formed by Dr. John V. Shankweiler in 1931. Since that time it has endeavored to bring the medical profession closer to those who will ultimately join its ranks. For this purpose the society inaugurated a policy of securing men who through years of service have reached eminence in the field of medicine, to lecture to the members of the society. Annual visits to health institutions, hospitals and medical schools also form an important part of the society's program as planned by Dr. Shankweiler.

Since the society is still in its infancy, its social side is still in the stage of development. However, it hopes to end the season with a banquet and in future years, it hopes to develop its social aspect much further.

Mask and Dagger

MUHLENBERG COLLEGE DRAMATIC CLUB

THROUGH the efforts of Mr. William D. Coder, Mask and Dagger was founded on the Muhlenberg campus in 1931. The purpose of the organization is to familiarize the members with every department of formal stage presentation. To this end the club heard talks on the Russian and Japanese drama given by Benjamin H. Keen and Massa Himeno. It also made a close study of the plays of Eugene O'Neil and produced one, "Moon of the Caribees," during the year.

Mask and Dagger is under the faculty guidance of Mr. Coder, with Doctor Ira

Zartman instructing in the art of lighting and staging effects.

There are no standard requirements for membership in Mask and Dagger, for it is not an honorary society. Applicants must prove their ability to appear on the stage before an audience and must have an interest in drama.

History of the L. S. A. of Muhlenberg College

As a result of the L. S. A. Conference of the North Atlantic Region held on The Muhlenberg College Campus in February of 1932, it was thought by many of our Lutheran Students that it would be well to form a local organization. A meeting was called which was attended by several of the faculty members and many of the students. After much discussion it was finally decided to appoint a Constitutional Committee. At the next meeting a Constitution was presented to the group and acted favorably upon. However, for the remainder of the school year a so-called "Steering Committee" was chosen. These men laid the foundation of the organization.

Before the college year closed a meeting was called at which the regular officers were elected and duly installed for the ensuing college year.

In the college term of 1932-33 the organization has expanded to such an extent that it now includes, a Discussion Hour under the supervision of Dr. Fritsch, a Missionary Hour under Rev. Stine, the Teacher Training Hour under Rev. Cressman, and the Ministerial Club. Also, the organization has taken charge of the tabulation of the Chapel attendance. At present it is sponsoring a series of lectures under the supervision of Dr. Shankweiler.

It is hoped, in the future, that the organization will hold a prominent place on our Campus and will faithfully fulfill those duties which are enumerated in the National charter. Also it is desirable that in the near future devotions will be conducted in the dormitories.

BYRON R. STAUFFER,

Secretary

Lutheran Students Association

THE Lutheran Students Association was organized in 1931 through the efforts of Donald Steinhauer, J. Frederick Gehr and Herbert Frankfort. The aim of the organization is to bring students who have an active interest in the doctrines of Luther into closer contact. The weekly Discussion Hour is supervised by the Association.

The Commons

THE Commons is the nourishing place of the erudite, the dining hall of the College. The Commons is inseparably connected with the names of Mr. and Mrs. Harry A. Benfer. Because of their excellent management, the dining hall has not only been able to afford a scientifically prepared diet, but has also succeeded in creating a combined collegiate and homelike atmosphere. Drapes, banners, pennants, and a radio afford eye and ear entertainment, while a corps of well trained waiters adds a touch of professionalism.

The Muhlenberg Weekly

THE Muhlenberg Weekly observed the fifteenth year of its existance as a student body publication by completely reorganizing the structure of its staff. This step was taken to insure a continuity of experience from one year to the next, to increase the efficiency of operation, and to make it possible to choose the succeeding staff members with the utmost fairness, and on the basis of merit and work accomplished. There was a distinct liberal editorial policy, and students always found an outlet for their opinions on campus affairs in the columns of the Weekly. It was the aim of the staff to give all the news in as accurate and as unbiased a manner as possible. The reporters were given ample opportunity and freedom in the securing of feature articles that might be of special interest to the readers.

Shortly after the beginning of the second semester of school a burlesque issue of the Weekly was released for publication. The tremendous popularity of this novel newspaper was evidenced by the enormous demand for copies.

The business staff handled their department in a very commendable manner as was shown by the unusually large advertising programs carried on throughout the year. At the time of this writing plans were being made for the Weekly staff to act as host to the Intercollegiate newspapers of the Middle Atlantic Association. This is a great honor and privilege for Muhlenberg, since members of the staffs of all first-class colleges and universities in this section are represented in this press group.

It is the goal of the Weekly staff to stimulate interest in college affairs and to create solidarity in the student body.

The Ciarla

IT HAS been the aim of this year's Ciarla Staff to make this publication a true synonym of the title which it bears. Ciarla is a Spanish word meaning a little of everything. The first volume of Muhlenberg's annual was published by the junior class of '92. The present edition is the forty-second volume published consecutively for over a period of four decades.

The editor-in-chief, Mr. Mentzer, through his unceasing labor, and with the aid of his capable staff of associates, has endeavored to make this year's book a masterpiece which the class of '34 and the entire student body might point to with a feeling of pride. Mr. MacMillan with his trusty kodak has been successful in securing scenes depicting the more intimate phases of college life. We also feel deeply indebted to the Messrs. Foster and Requa for the fine manner in which they have handled the business and advertising department in putting the Ciarla on a sound financial basis. In composing this book, we of the editorial staff have attempted to take the best material that could be obtained from previous publications and to supplement this material with original ideas of our own in order to secure an harmonious blending of the best that exists. The success of the book is not in our power to judge, but in the manner in which it will be received by its readers.

We acknowledge, with the deepest sincerity, the splendid cooperation and assistance received from all departments and from our connections with the business world in the publication of this Ciarla. It would be an act of colossal ingratitude to neglect making mention of such an item—which after all was the guiding hand at every crisis during the past year.

In this insignificant manner, the staff and every member of the Junior class wishes to thank the following individuals for their unceasing effort in service as well as for making this book a financial success: Mr. Arthur G. Sharp of the Pontiac Engraving Company, Mr. Charles Esser of the Kutztown Publishing Company, and Mr. Harry A. Benfer, our faculty advisor.

Music

FISHER, Director

The Band

THIS year has witnessed one of the most colorful and well-trained bands ever to be produced at Muhlenberg. The singular success of this organization can be attributed to none other than its capable director, Mr. Carl S. Fisher. Mr. Fisher, who has been a member of the College Band since his freshman year, has acquired an excellent reputation both as a musician and as a leader. Through his efforts there has been developed a repertoire which contains classical as well as popular music. We must not overlook, however, the work accomplished by the members of the band and by Dr. George H. Brandes who again served as faculty adviser.

Besides playing during every athletic contest, the band has presented a series of concerts before the student body. These programs have varied considerably in content, and have featured several talented musicians in cornet, trombone, and xylophone selections. The season will be terminated with a concert to be presented at West Park in Allentown and one to be broadcast from a local station.

The rehearsals which were held regularly each week were always accompanied by full attendances. Every member has devoted much time and effort in order to produce a band capable of achieving the greatest possible results.

Since every new class that enters Muhlenberg contributes an abundance of good material for the rejuvenation of the band, we need never fear a lack of progress.

DR. MARKS, Director

The Chapel Choir

WITHIN less than two years of existence the Muhlenberg Chapel Choir has become one of the most active and progressive organizations on the campus. Although the Choir is still in the process of development, the results of the work of Dr. Harold K. Marks, who had previously distinguished himself as Director of the Glee Club, can readily be seen. In fact, the success of the Choir in so short a time may be attributed to the ability of Dr. Marks in this particular field.

Growing steadily in numbers, the Choir now is composed of almost forty men, all of whom have faithfully devoted much time and effort in order to produce the most qualifying results. The repertoire, which has been enlarged considerably, contains sacred hymns from such composers as Bach, Beethoven, Handel, Brahms, Mendelssohn, and Mozart, together with a group of novel Russian selections. The works of these great masters, in forming the nucleus for the Choir's Chapel programs, have greatly enhanced the services.

An increased reputation of the Choir has resulted in many invitations to outside churches. It has already made public appearances in Allentown, Reading, Easton, and Lansford. Thus it can readily be seen that the Chapel Choir has more than compensated for the loss of the Glee Club, both as an advertising medium and as a means of expressing the musical talent of the Muhlenberg students.

Debate

WITH only two veterans remaining from last year's squad, Coach Arthur T. Gillespie has been faced with the problem of developing a team with inexperienced men. This handicap has already made itself evident in the first four tilts which resulted in one victory and four defeats. A successful season, however, may be anticipated for the coming year since only one man, Mr. Ray Heist, will be lost through graduation.

The schedule was rather strenuous, including such teams as Lehigh University, Albright, Temple, Villanova, Gettysburg, and Susquehanna. The question which was used throughout the season was as follows: Resolved; That All Intergovernmental World War Debts and Reparations Should Be Cancelled.

An interesting feature of the season was the use of the Oregon system of debate which although not yet universal among colleges promises to become quite popular in the future.

The teams were composed of: Affirmative, John W. Hollenbach, John R. Brokhoff, Morton Silverman, Bernard Frank, and Ray K. Heist. Negative, Ray R. Brennen, Russel L. Krapf, John H. Yerger, Milton Lowy, and Ralph G. Keeport.

GARNET

DR. BROWN

Inter-Collegiate Oratorical Union

THE Pennsylvania Intercollegiate Oratorical Union, founded in 1910, was the result of the efforts of several colleges to develop a greater interest in forensic activity. These institutions which had realized the importance of such an organization were Muhlenberg, Albright and Ursinus. The work accomplished by these colleges immediately attracted the attention of other schools throughout the East and resulted in so great a number of applications that membership had to be limited to Pennsylvania alone. Bucknell University, Franklin and Marshall, Gettysburg, and Lafayette Colleges were admitted to the union.

Each year there is held a state contest and the winner represents the State of Pennsylvania in the national semi-finals. This year Muhlenberg was represented at Geneva College by Mr. Richard Garnet whose oration was "The Forgotten Covenant". Competing against some of the best talent in the state, Mr. Garnet was able to win second place, with Allegheny College placing first. Mr. Garnet became eligible to act as alternate at the semi-finals to be held in Chicago. The other colleges present at the state elimination contest were Gettysburg, Ursinus, Grove City, Waynesburg, Thiel, Albright, and Franklin and Marshall.

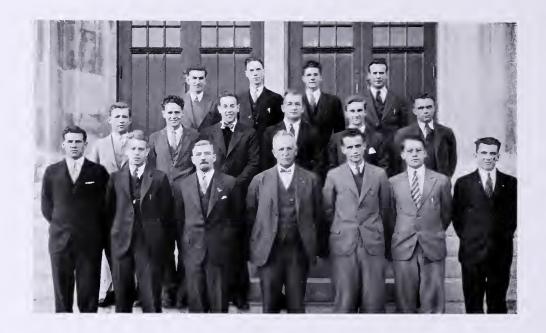

This year the manager of the Union at Muhlenberg was Mr. Harry P. Dunlap who together with the alternate representative, Mr. Gordon Feller, '34, accompanied Mr. Garnet to Geneva College.

Under the able instruction of Dr. John D. M. Brown, head of the English Department and for twenty-two years coach of oratory, Muhlenberg orators have placed first twelve times; second seven times; and third three times in the state contests. Thus to Dr. Brown must go much of the credit for this unusual forensic success.

Mr. Garnet is president of the student body at Muhlenberg and has recently been elected life-president of his class. He is a member of Phi Alpha Theta, Honorary History Fraternity.

Fraternities

Kappa Phi Kappa

THE national professional education fraternity, Kappa Phi Kappa, has the largest membership of any professional or honorary fraternity on the Muhlenberg Campus.

The aim of the organization is to promote research and scholarship in the field of education. Membership brings influence in obtaining and holding a position in the educational world. Members are kept on record in the files at Washington, D. C. and are constantly acquainted with new trends in education, a great help in keeping teachers out of the rut.

The local requirements for membership in Kappa Phi Kappa are an average of B in at least six hours of work in Education and an expression of willingness to enter the field. The candidate must major in education in order to be eligible.

Phi Sigma Iota

Lambda Chapter—Founded 1928

PHI SIGMA IOTA, national honorary Romance language fraternity, was the first language fraternity to be established on the campus. The chapter was installed largely because of the efforts of Dr. Anthony S. Corbiere.

Lambda Chapter meets monthly at which time papers on phases of the Romance Languages are read and discussed,

Dr. Anthony S. Corbiere is president of the local chapter and national historian. Requirements for membership are superior grades in the study of Romance Languages.

Phi Alpha Theta

Kappa Chapter—Founded 1929

PHI ALPHA THETA was organized for the purpose of recognizing superior work in the study of history and to elaborate on the work of the classroom. It was founded at the University of Arkansas in 1921. Since that date nine chapters have been admitted. A recognition by Phi Alpha Theta of the merits of a local history club is therefore a high compliment.

Kappa Chapter was formerly the History Club, founded in 1926. In 1929 it received its abouter from Phi. Alpha Thata

its charter from Phi Alpha Theta.

The requirements for admission into the Kappa Chapter are a high scholastic standing, a rating of at least a Junior, at least twelve semester hours of history credit, and an intention of majoring or minoring in history.

Omicron Delta Kappa

Alpha-Epsilon Chapter-1930

OMICRON DELTA KAPPA, admittedly one of the foremost fraternities in the country, was established on the Muhlenberg campus in 1930. Since then it has struggled to gain the prestige which its name should possess.

The purpose of Omicron Delta Kappa is threefold:

To recognize a high standard of accomplishment in collegiate activities. To consolidate the most representative men in various lines of college activity.

To bring the faculty and student body to a closer understanding.

Alpha Kappa Alpha

Founded 1930

Publication—"THE PHILOSOPH"

Colors-Madonna Blue and White

MUHLENBERG COLLEGE has the honor of having formed Alpha Kappa Alpha on its own campus. On May 1, 1930, mainly at the instigation of Reverend Russell W. Stine, the philosophy clubs of Muhlenberg and Moravian Colleges consolidated to form a national honorary philosophic fraternity.

The chapter meets bi-weekly at the home of Reverend Russell Stine, who is national president. At such times the members discuss topics which have a philosophic interest. An interest in philosophy together with a scholastic requirement form the main requirements for membership.

Inter-Fraternity Council

THE Inter-Fraternity Council is composed of three members from each social Greek letter group.

The Council supervises fraternity "rushing" and attempts to stimulate scholastic fraternity standing by the presentation of a cup to that fraternity which has achieved the highest scholastic record during the year. The Council also contributes to the social calendar with the annual Pan-Hellenic dance.

1934 CIARLA

Two Hundred and Thirty-four

- 1—Where are the students?
- 2-Light and dark fantasy.
- 3—Home???
- 4—Where we can spend our idle days.
- 5—I wish I had wings.
- 6—"For Old Muhlenberg."
- 7—Straw hat brigade.
- 8—Our apple orchard.

- 1—Shall we call it winter?
- 2—Our own mud-hens—Muhlenberg vs P.M.C.
- 3—The Ciarla at work.

1934 CIARLA

Two Hundred and Thirty-six

2—The straight and narrow path.

3—The Olympics???

4—The seat of Knowledge

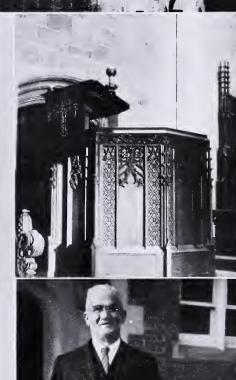

5—The post of Constancy

6—The land of the free and the home of the brave.

7—Gray heads of wisdom

8—Gedunking.

1—You are beautiful to-night my dear!

^{2—}Dead-wood???

^{3—&}quot;Pop" Kahler.

1934 CIARLA

Two Hundred and Thirty-eight

- 1—Intra-murals—see "our Bill"?
- 2—Why can't the night go on forever?
- 3—Mid-Atlantics.
- 4—It's cherry blossom time.
- 5—Contented.
- 6—'Board for F. and M.
- 7—Photography Editor on his vacation.
- 8—Wizards!

- 1—Our co-eds.
- 2—Frosh-Soph Hop.
- 3—Sublime to the ridiculous.

1934 CIARLA

Two Hundred and Forty

2—Pink elephants.

3-Hats off to our Alma Mater.

4-Our future Hitlers.

5—Compulsory attendance.

6-Snow or rain-education goes on!

7—I'm nuts about muts.

8-Winter's purity.

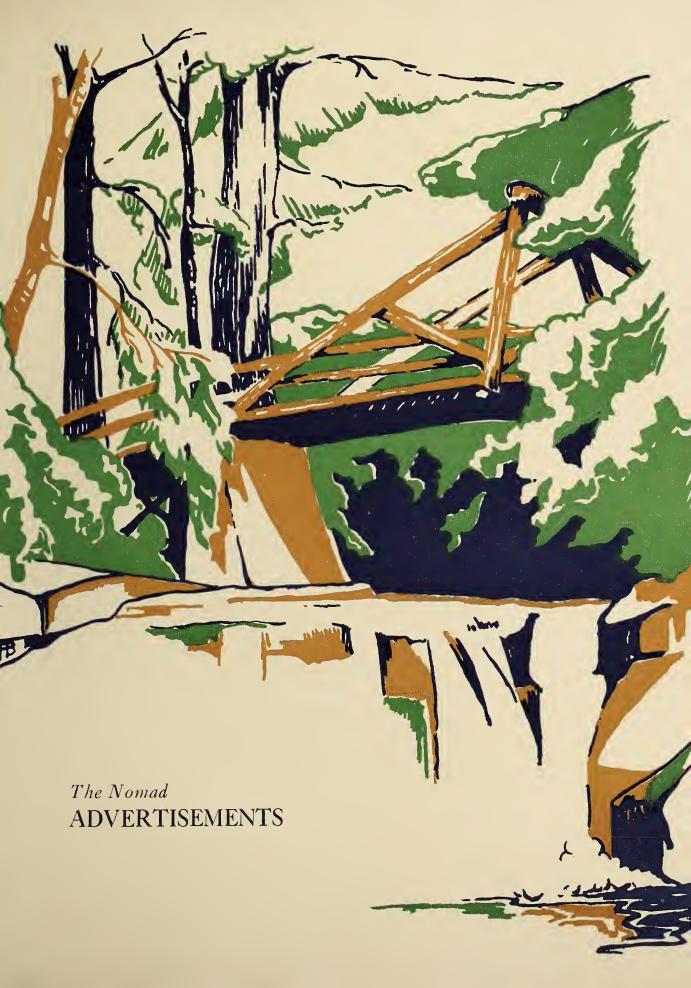

MUHLENBERG

1-More pink elephants.

²⁻Our pal-"Haps"

^{3—}Celestial beauty.

THE LUTHERAN THEOLOGICAL SEMINARY

A T PHILADELPHIA

CHARLES M. JACOBS, President

FREDERIC W. FRIDAY, Registrar

Located at Mount Airy, one of the most beautiful residential suburbs of Philadelphia, within the city limits.

Campus of ten acres; sixteen buildings, Library of 37,000 volumes.

196 students from 12 states, Canada and Japan; prepared in 40 Colleges and Universities. Prescribed, Elective and Seminar courses.

Undergraduate courses leading to B.D. Degree.

Graduate School, in its own building, leading to the Degrees of B.D. and S. T. M.

70th year begins September 19, 1933.

FOR CATALOG AND INFORMATION ADDRESS THE REGISTRAR

While her left hand is in your right let there he a faint pressure on that, and yet the art is simple. Follow these directions for best results:

First, know the one with whom you are clinching. Don't make a mistake, although it may be a good one, Don't make a mistake, although it may be a good one, Don't jump like a cat at a mouse and smack the dainty thing on the ear or the noes. She won't appreciate it and neither will you. Do not be in a hurry!

The gentleman should be a little taller, although it is not absolutely necessary. He should have a clean face and kindly eyes and youthful expersion. Don't be arxinous to kiss in a crowd; there are plenty of dark corners. Do not be in a hurry!

Take the left hand of the female in your right. Throw your left arm over the lady's shoulders, slip it around to her left side and below her arm. Do not be in a hurry!

FROSH: "What is an evergreen?"

Sopri: "A Frosh who doesn't learn by experience."

Tatting—is valued to the pope resides.
A stich-in-time—A woman darning a clock in a stocking.
A hem—A sort of a cough.
Tatting—is when you tell on someone.
French knot—is how they measure the speed of French battleships.

Finour: "Did you know I was a magician?"
Finour: "Told you know I was a magician?"
Finour: "Told you know I was a magician?"
Finour: "Collage at the church program made an awful bungle of his solo. Someone and any of the back room sid, "The selling soap."

Another voice from the back of the room was heard: "It don't care who called the piccolo player a darn fool, but what I want to know is who called the darn fool."

Finour: "Did you know I was a magician?"

Finour: "Did you know I was a magician?"

Finour: "Did you know I was a magician?"

Finour was a magician?"

School Printing

Plus

*A SERVICE

Does your school printing compare favorably with that sent out by other institutions in your same class?

We would like to show you how you can improve your catalog or other printing. You will be surprised at the low cost of producing well-planned printing.

Our service in building school annuals within their budgets has enabled a number of schools this year to continue their publications without lowering their standards. We can help you to produce good books at very moderate costs.

We appreciate the opportunity to produce good books at very moderate costs.

We appreciate the opportunity to produce this annual and wish to acknowledge the excellent cooperation received from the members of the staff.
